

Important! Please note date change! **Instructor Trainer In-service Program!**

The N.H. School Transportation Association will host a **four (4) hour** In-service Training Program open to **N.H. certified school bus instructors** in need of re-certification hours.

Saturday, September 25, 2010

8:00 a.m. - 12:00 noon (Registration opens at 7:30 a.m.)

Merrimack Valley High School, Penacook, NH

Join us for our next In-service Training Program for ***instructors only*** when the focus will be on ***Out of Service Criteria, The Special Needs Ride Experience and Teaching Driver Reference Points***. The program will include an in-depth two hour (indoor) discussion about the criteria for taking a school bus out of service. During the second half of the training program, participants will get a sense of what it is like for a special needs student to ride on a school bus. Sometimes referred to as the “Ride from H☆☆☆ Experience,” this exercise is intended to heighten awareness of what it is like to be a special needs student with limited (or no) ability to control their surroundings or ride experience. On board driver training exercises will focus attention on important reference points including some common and less common over the hood focal points.

Presenters will include trainers from The Provider, Cynthia Kammann of First Student, Mark Raposo of Goffstown Truck Center, Wayne Demers of First Student and Trooper Cathy McHugh of the NH State Police.

Program Schedule:

Registration: 7:30 a.m. - 7:50 a.m. (coffee provided)

Program Begins: 8:00 a.m.

Wrap-Up and Distribution of Attendance Certificates: 11:50 a.m. -12:00 noon
